eSpark

Add your exclusive 2022-23 eSpark Ambassador badge to your email signature, blog, and social bios!

Gmail email signature

1. Open the below **HTML** file in Chrome or whichever browser you use
2. Go to **edit → select all**
3. Go to **edit → copy**
4. Go to your Gmail signature in settings by clicking the **gear** in the upper right corner, then **see all settings**
5. Scroll down to "**signature**" toward the bottom of the page
6. Press **CMD/CRTL + V** to paste the badge
7. Scroll down and click **save**
8. You're all set!
