

# ROCKY'S SPACE ADVENTURE

We're flying through space at \_\_\_\_\_ miles an hour in our ship.  
(large number)

I look outside and see lots of sparkly \_\_\_\_\_ by.  
(noun, plural) (verb ending in -ing)

Suddenly the ship comes to a dead stop. I look around and see my friends and teacher. Someone yells, "we're stuck in space!" Well, we have to do

something about this, so I reach into a nearby box labeled "\_\_\_\_\_"  
(silly word)

and put on a suit made of \_\_\_\_\_. My teacher, \_\_\_\_\_,  
(noun, plural) (teacher's name)

attaches a(n) \_\_\_\_\_ to me so I won't drift away. I open the door  
(noun)

and \_\_\_\_\_ outside. I see \_\_\_\_\_ smeared all over the  
(verb) (something sticky)

ship. It must be from when we flew through the cloud of \_\_\_\_\_  
(something gross)

yesterday. I use \_\_\_\_\_ to clean it off with my \_\_\_\_\_.  
(liquid) (body part, plural)

Just then I see a(n) \_\_\_\_\_ in the distance. It's headed right for us.  
(type of transportation)

"Need help?" a voice says from inside. It's a(n) \_\_\_\_\_ —they do  
(mythical creature)

exist! With a big shake, Rocky is \_\_\_\_\_ awake only to realize this  
(verb ending in -ed)

great space adventure was just a dream.
